Qamar & the coloring book

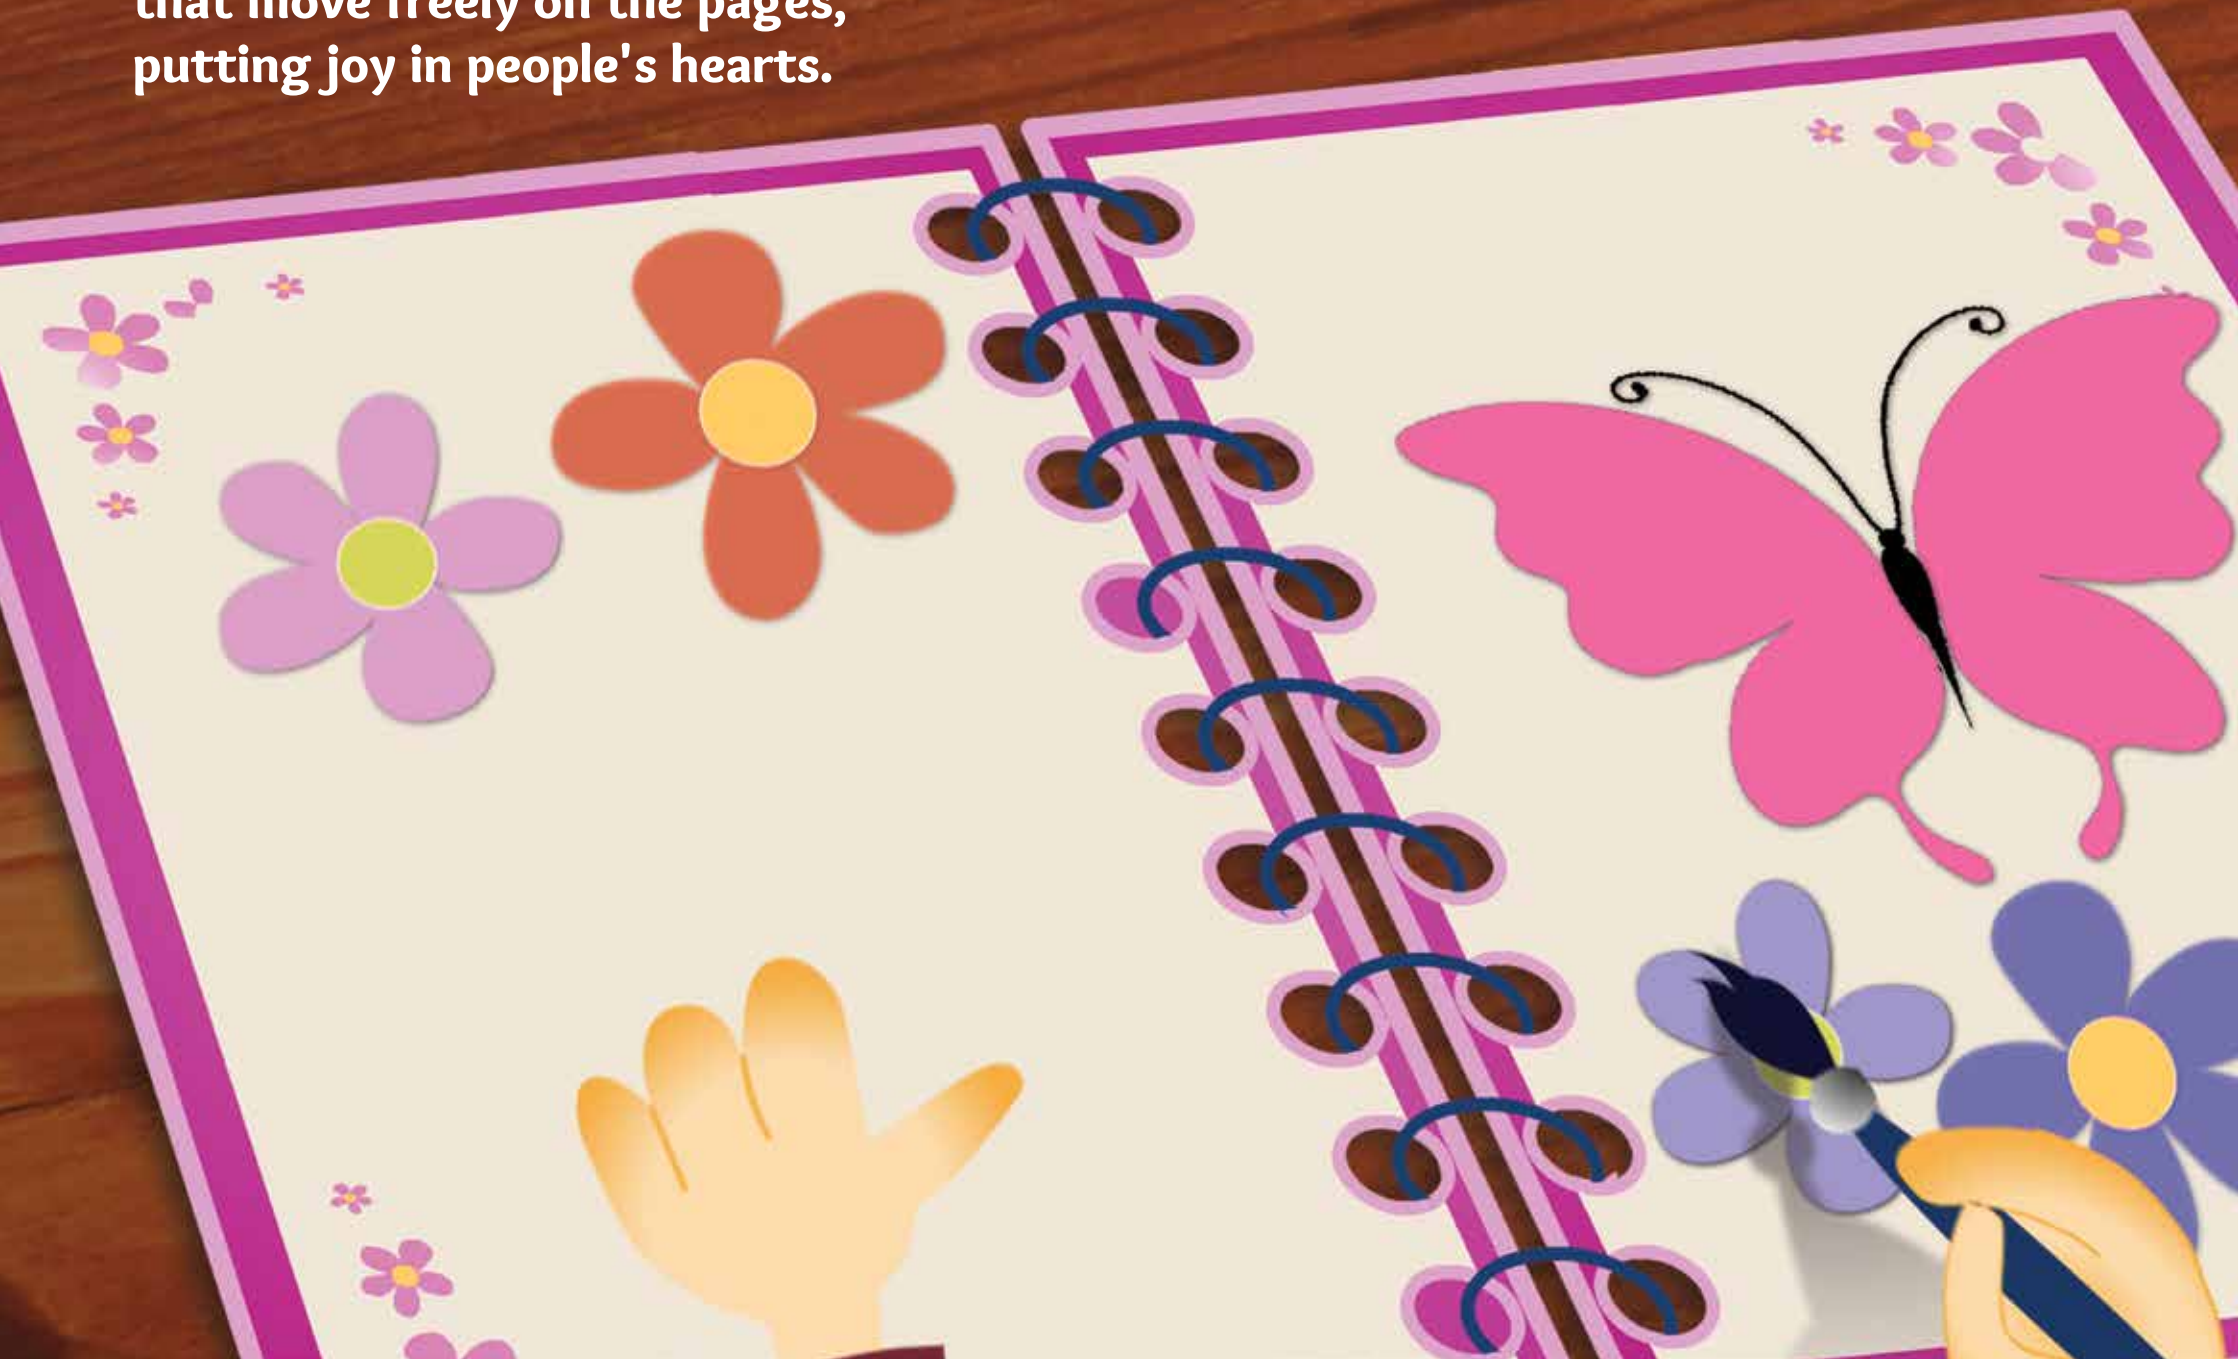

Qamar loves to draw and color and has special coloring book that she loves very much.

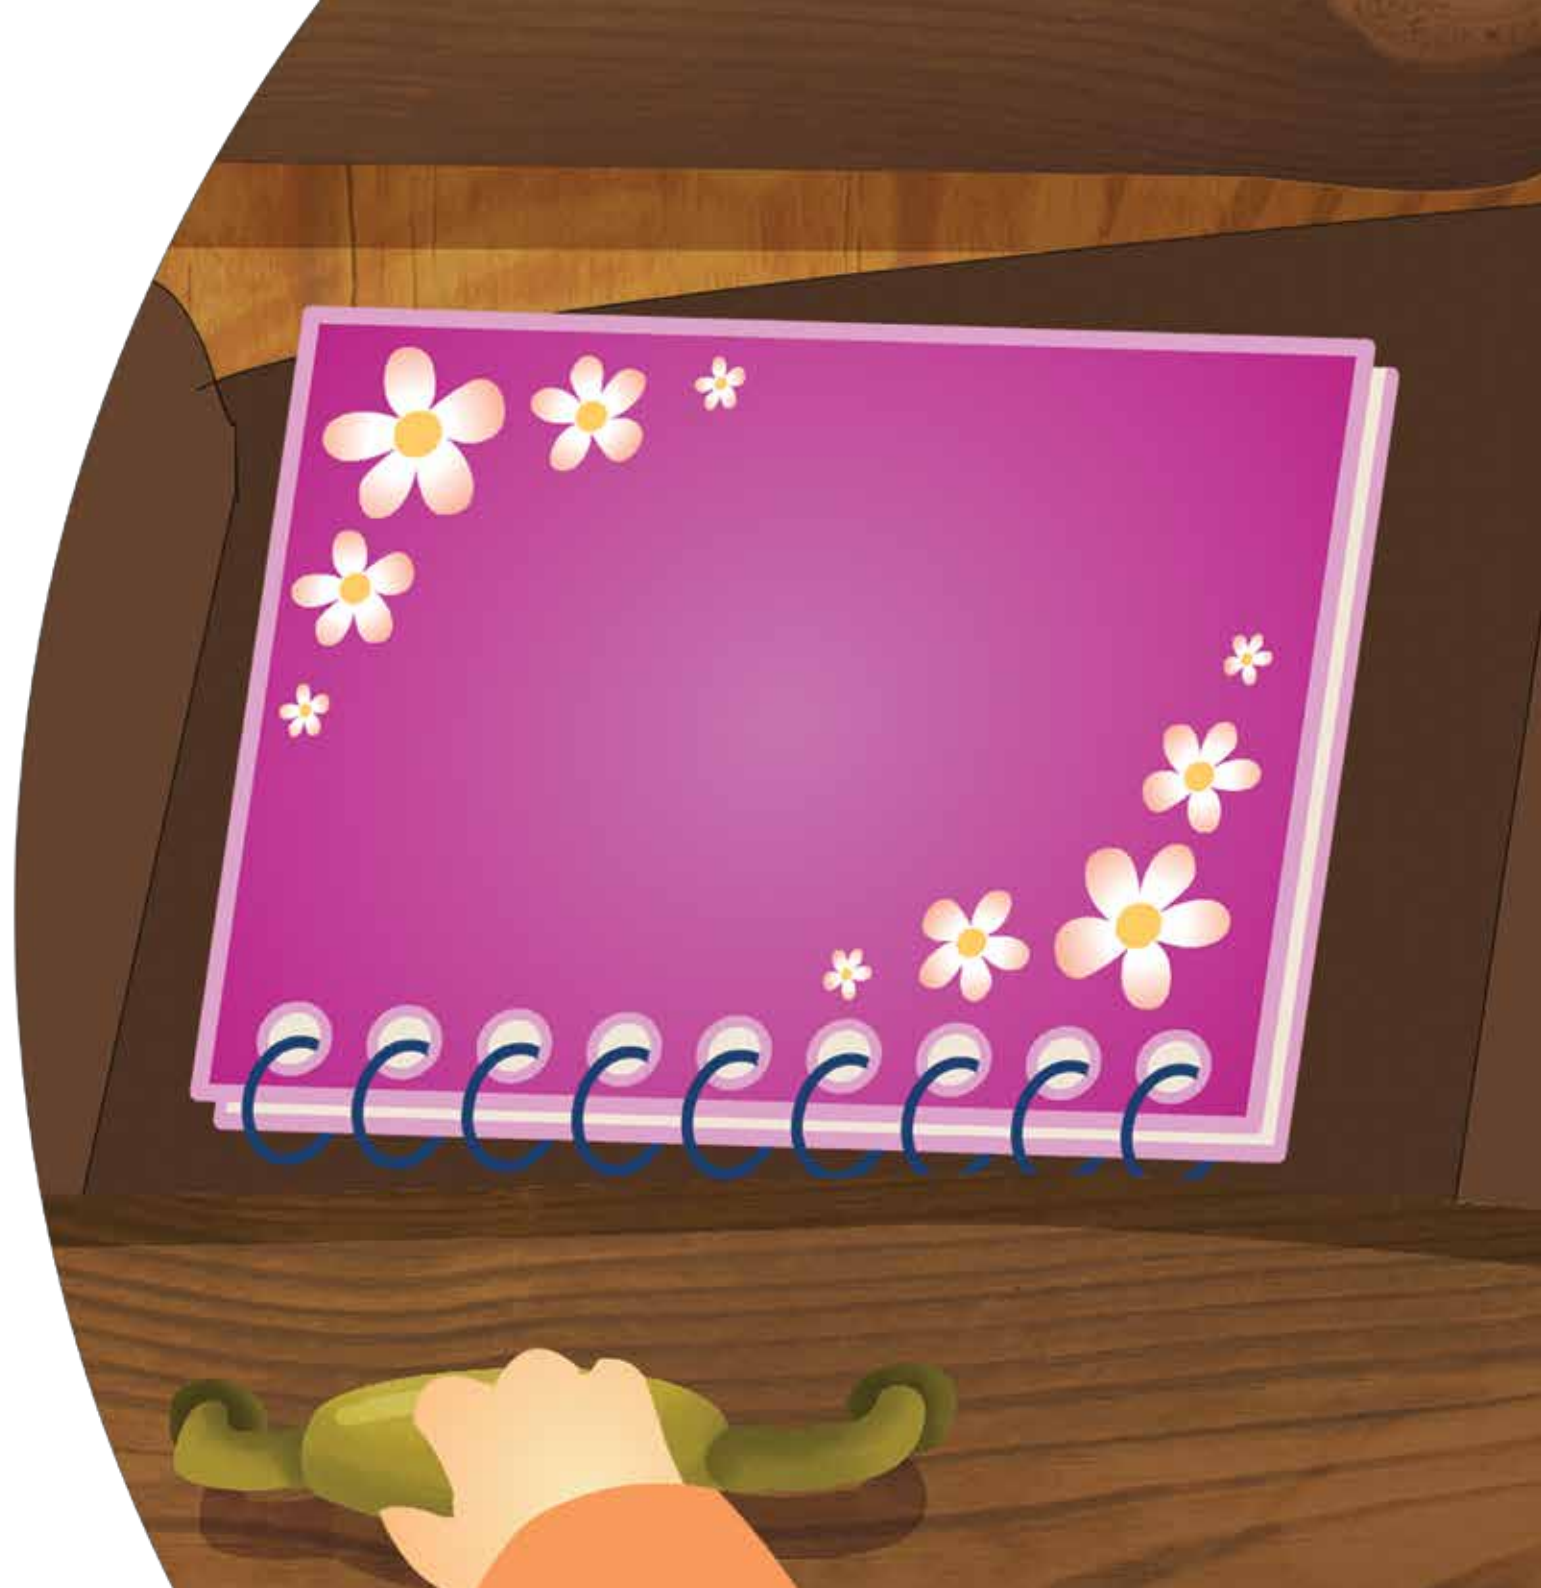

She keeps it in a safe place as its full of drawings from her imagination that move freely on the pages, putting joy in people's hearts.

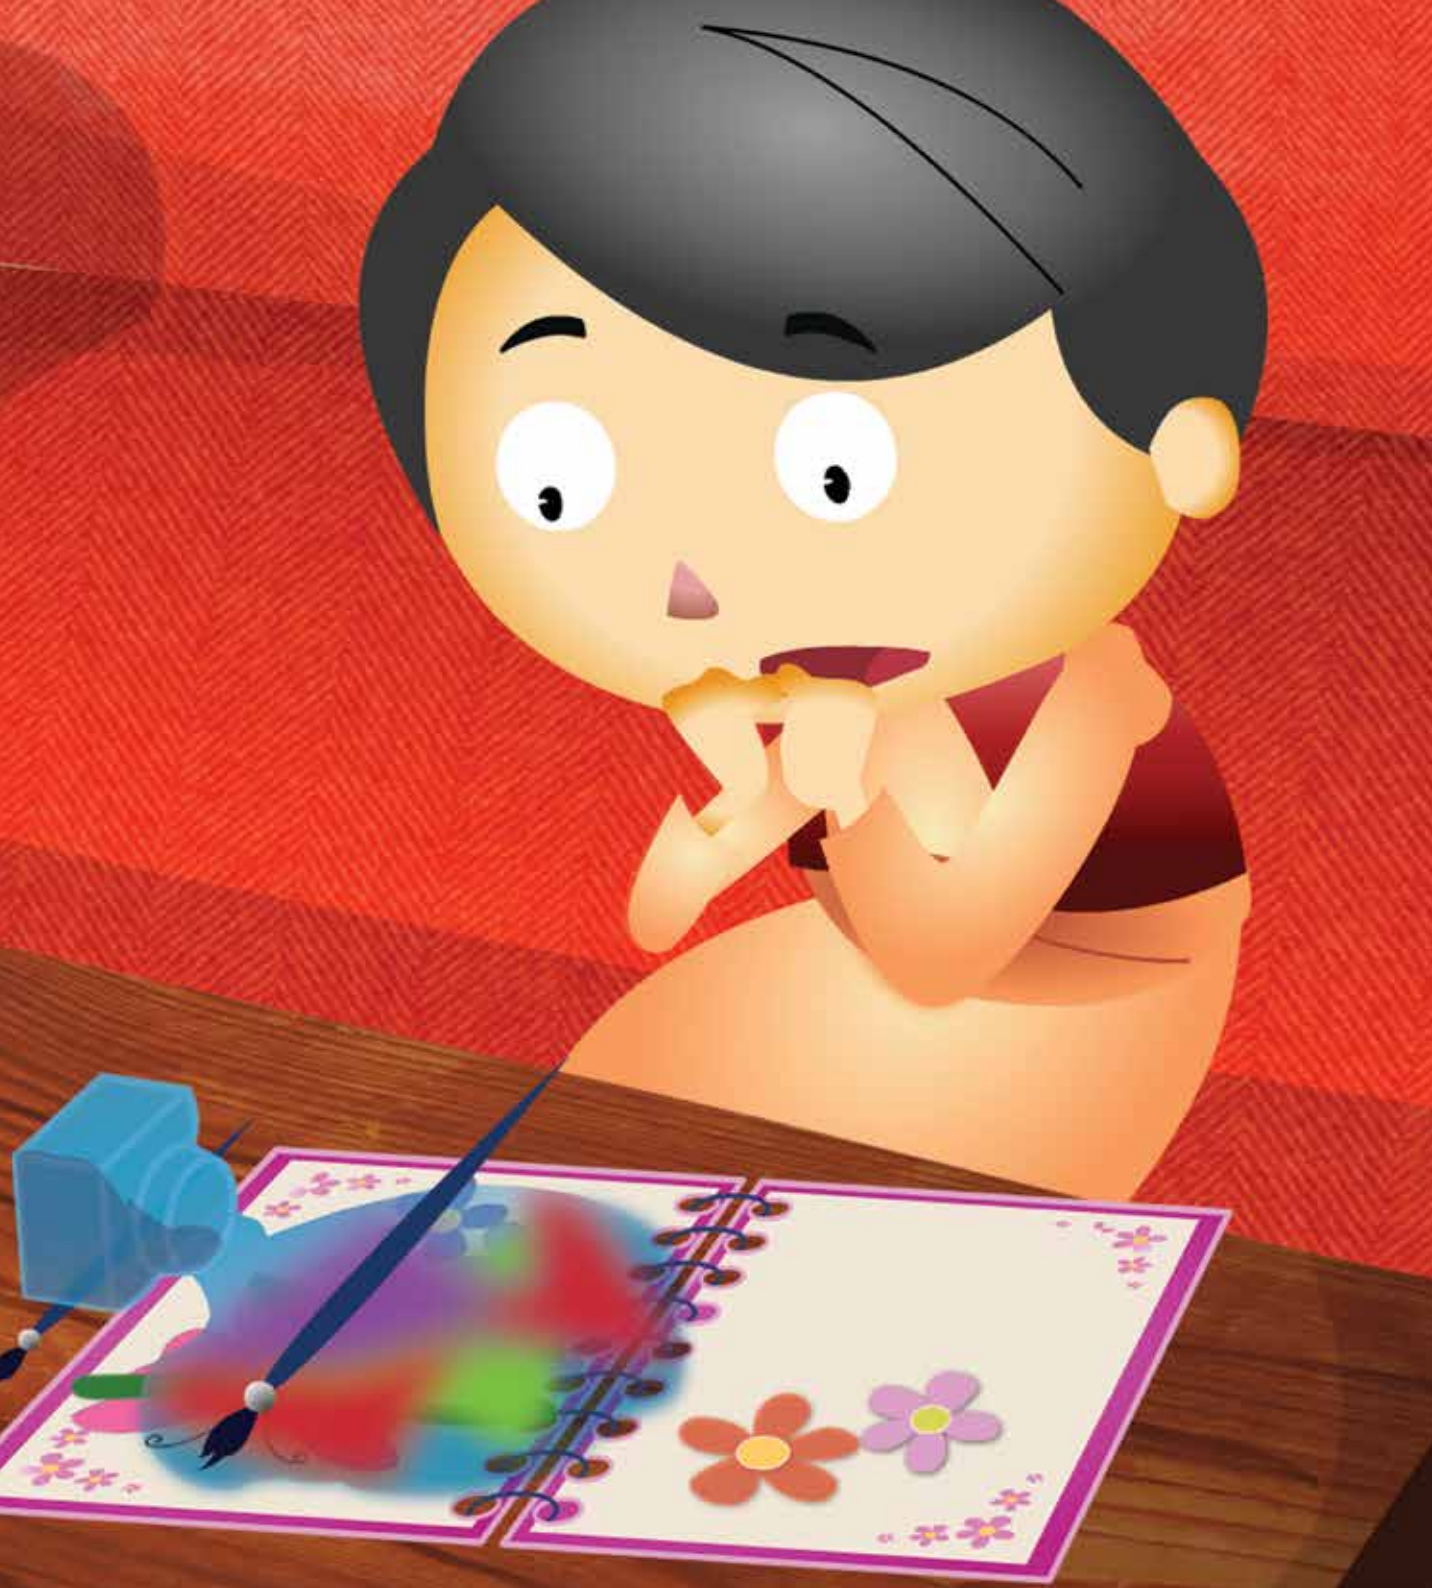

Her younger brother Rami was amazed by her talent and wished to draw like her.

One day, while Qamar was in school Rami found the coloring book and started coloring happily on its pages.

But accidentally he dropped some ink on Qamar's favorite drawing.

**Rami felt embarrassed
and wondered what to
do now!**

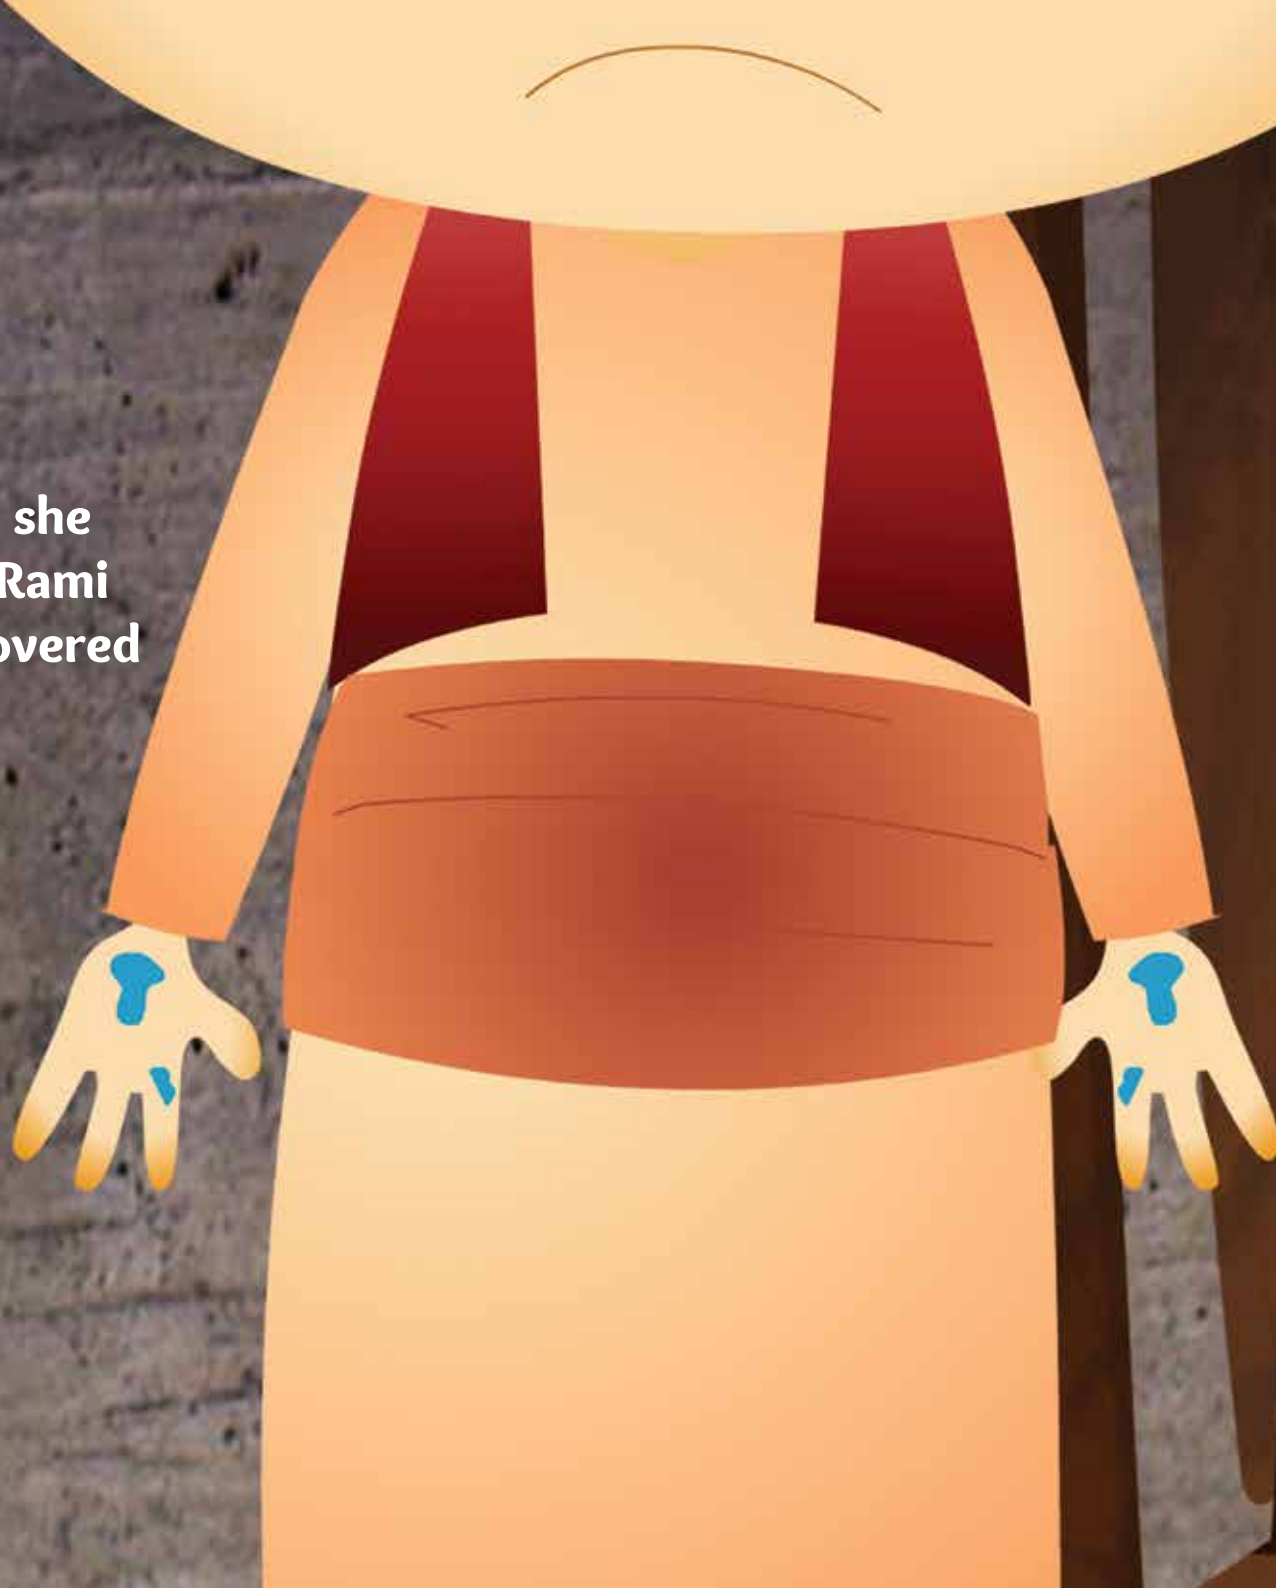

When Qamar returned home, she rushed to her book but was surprised with a stain covering her favorite drawing!

**Her smile faded away,
and she wondered how
did that happen?**

**At that moment, she
saw her brother Rami
with his hands covered
in stains.**

So she got upset and
rushed to her room.

Rami thought about how to make it up to her.

So he drew her a big heart on a piece of paper and wrote, I'm sorry, and he passed it under Qamar's door.

Qamar looked at the paper and realized it was an accident.

So she opened the door and when she saw her brother, she looked at him and grabbed his hand, so they could draw together.

They sat next to each other and started drawing a big tree with leaves. While Qamar hugged her brother, so lovingly.
